## First Ever Economic Development Summit

### Hosted by Enfield's Economic Development Commission

**ENFIELD, CONN – July 8, 2015:** Enfield's Development Services is pleased to announce its first ever Economic Development Summit, which will be held on Wednesday, September 23 from 8:00am to 1:00pm at Maneeley's Banquet Hall in South Windsor. The theme of this event will be emerging business trends and will include roundtable discussion on Enfield's key and emerging industries including retail, advanced manufacturing, biomedical/healthcare and logistics/distribution.

The event will begin with a full hot breakfast buffet, during which time attendees will hear from the keynote speaker followed by a short break that includes the opportunity to network and visit vendors, such as Asnuntuck Community College, R. Calabrese Agency, LLC, Caring Solutions, Cohn Reznick, MetroHartford Alliance, U.S. Small Business Administration – CT District, Connecticut Economic Resource Center, Community Investment Corporation, Small Business Development Center, Westfield Bank, Pullman & Comley, State of Connecticut Department of Economic and Community Development and more.

Attendees will then attend one of three breakout panel sessions with speakers in either *Advanced Manufacturing; Healthcare and Biomedical; Logistics and Distribution*. This format allows those attending to focus on and connect directly with their field or interest. A full salad bar lunch will be available from 12:00 to 1:00pm, which will conclude the summit with the *Future of Retail* panel session. The event costs \$35.00 to attend and includes the full day sessions and panels, hot breakfast and salad bar lunch.

Courtney Hendricson, Assistant Town Manager, Development Services states, "this is a huge event for the business community in Enfield and regionally. We want to bring professionals together to learn new information about their fields, connect with other industry professionals and catch up with colleagues. It's about providing people an opportunity to network and learn from one another."
